To Our Vendors:

Subject: Life Sustaining Business/Essential Critical Infrastructure

Today Governor Tony Evers ordered all citizens of Wisconsin to stay at home and state that all non-essential businesses would close.

The order specifically states that companies may remain operational if they are manufacturing companies, distributors, and supply chain companies producing and supplying essential products and services in and for industries such as pharmaceutical, technology, biotechnology, healthcare, chemicals and sanitation, waste pickup and disposal, agriculture, food and beverage, transportation, energy, steel and steel products, petroleum and fuel, mining, construction, national defense, communications, and products used by other Essential Governmental Functions and Essential Businesses and Operations.

Upon reviewing this order, Gaskets, Inc. meets the criteria as an essential business permitted to remain in operation as per the information in the order.

Gaskets, Inc. has instituted safety and health protocols recommended by OSHA as well as the CDC including at least 6 feet social distancing protocols. **Gaskets, Inc.** and its employees are ready to meet the challenge of today – fighting and defeating the COVID 19 virus - and seek your continued support.

You are an essential supplier to **Gaskets, Inc.** and you play a critical role in our ability to service the above mentioned industries. The significance of the supply chain cannot be undersold.

Please contact us and inform us of any changes in your ability to supply us.

Sincerely,

Gaskets, Inc.
Dan Tomlinson, President of Sales
